Scan with camera to view videos, key features and more.

*Curb weight includes all necessary materials and fluids to operate correctly, full tank of fuel (more than 90 percent capacity) and tool kit (if supplied).

KAWASAKI CARES: Read Owner's Manual and all on-product warnings. Warning: ATVs can be hazardous to operate. For your safety: Always wear a helmet, eye protection, and protective clothing. Never carry a passenger. Never ride under the influence of drugs or alcohol. Never ride on public roads or pavement. Avoid excessive speeds and stunt driving. Be extra careful on difficult terrain. Kawasaki's KFX250 is recommended for use only by persons 6 or older, and the KFX390 is recommended for use only by persons 10 and older. All children under 16 riding ATVs should always have direct adult supervision. Kawasaki ATVs with engines over 90cc are recommended for use only by persons 16 years of age or older. Kawasaki also recommends that all ATV riders take a training course. For more information, see your dealer, call the ATV Safety Institute at 1-800-887-2887, or go to www.atvsafety.org. ©2025 Kawasaki Motors Corp., U.S.A.
